IT ALL STARTED WITH PALE ALE...

The beer that inspired this crazy journey, ours is a hop driven Pale Ale bursting with flavour and aroma.

Full-bodied yet refreshing, the bitter finish will leave your tastebuds craving more.

The beer's character is driven by the use of fresh whole hop flowers. Hop Flowers are carefully selected that are bursting with aroma and contain all the essential oils and acids that deliver a unique flavour experience. Featuring crisp citrus flavours of grapefruit and passionfruit and maybe a bit of honey, all backed up with a good balance of bitterness.

**ENJOY A COMPLEX AND
BALANCED BLEND OF FIVE
GRAINS FOR A CLEAN
SUPERIOR TASTE.**

Barley, Rye, Wheat, Rice and Maize, the five grains provide a complex but clear malt base, which delivers a golden, refreshing, fuller, smoother beer, making it unlike any other premium lager. This is overlaid with a delicate and refreshing citrus aroma from Strisselspalt hops grown along the French border.
